## It Says Here

By CHUCK RATHE

A record 4,000 flee East Germany over the weekend in the face of tension over Berlin. President Kennedy says the west can handle them. He has almost that many relatives for a weekend at Cape Cod.

\* \* \*  
Air Force Capt. Grissom is the second U.S. astronaut to ride into space. One more guy and they can elect officers and form a club.

\* \* \*  
Chester Bowles will keep his state department post after all but the CIA chief may be asked to leave. That would make Dulles the first to be Bowled over.

\* \* \*  
Sen. Goldwater says he doesn't want to run with Rockefeller in 1964. They aren't in the same class. Goldwater is against federal aid to education while Rockefeller belongs to the other school.

\* \* \*  
A GOP policy committee accuses Kennedy of committing 15 "errors" in the first six months in office. They claim 15 errors is minor league and they're hollering for a new manager next term.
